

ANNOUNCEMENTS

Announcements should be sent to Dr. Carl C. Smith, Department of Environmental Health, University of Cincinnati Medical Center, 3223 Eden Avenue, Cincinnati, Ohio 45219, as far in advance of the event as possible.

Third Workshop on Biochemical Approaches to Clinical Pharmacology

July 16-20, 1973, San Francisco, California. Information: Dr. Kenneth Melmon, Division of Clinical Pharmacology, University of California School of Medicine, San Francisco, Calif. 94122.

Third Gordon Research Conference on Drug Metabolism

July 16-20, 1973, Tilton, New Hampshire. Program includes: Metabolism of Tricyclic Compounds (L. Fischer, S. Garattini, R. Kelly, S. Solomon); Clinical Pharmacology (F. Rieders, B. Calesnick, D. Lukas); Arene Oxides (J. Gillette, J. Daly, F. Oesch); Competitive Protein-Binding Assays (D. Rodbard, R. Schneider); Agricultural Chemicals (A. Page, J. Menn, R. Metcalf); Drug Interactions (F. Bullock, F. Kinoshita, P. Gesner); also a roundtable on "What is drug metabolism and where is it going?" (E. Schreiber, W. D'Aguanno, D. Parke, and others) and a special lecture on medicolegal aspects of research by W.

Hewson. Information: Dr. Alexander Cruickshank, Pastore Chemical Lab., University of Rhode Island, Kingston, R.I. 02881.

Annual Meeting, American Academy of Clinical Toxicology

July 30-August 3, 1973, San Diego, California. Information: Dr. Donald Corby, Director of Clinical Research, Fitzsimmons General Hospital, Denver, Colo. 80240.

Fall Meeting, American Society for Pharmacology and Experimental Therapeutics

August 19-23, East Lansing, Michigan. Program includes a teaching institute on environmental pharmacology and toxicology and a program arranged by the Division of Drug Metabolism on newer instrumental and analytical methods (C. Scott, P. Brown, E. Horning, R. Okerholm, V. Butler, R. Leute). Information: ASPET 1973 Meeting, Kellogg Center for Continuing Education, Michigan State University, East Lansing, Mich. 48823.
