

Announcements

Announcements should be sent to Dr. Carl C. Smith, Department of Environmental Health, University of Cincinnati Medical Center, 3223 Eden Avenue, Cincinnati, Ohio 45219, as far in advance of the event as possible.

*Fall Meeting, American Society for
Pharmacology and Experimental
Therapeutics*

August 18-22, 1974, Montreal, Quebec. Division of Drug Metabolism Symposium on Drug Blood Levels in Therapy, August 20, 1:30 p.m.: The Pharmacokinetics Service Laboratory and Interdisciplinary Responsibility (F. Sjöqvist); Usefulness and Limitations of Drug Blood Level Studies (Weiner); Role of Pharmacokinetics in Some Drug Therapy (Riegelman); Plasma Drug Levels as Related to Drug Safety Evaluation (D'Aguanno); Panel discussion (Brodie, chairman). Information: ASPET Fall Meeting 1974, Department of Pharmacology, Faculty of Medicine, Université de Montréal, P. O. Box 6128, Montréal, Québec, Canada.

*International Symposium on Approaches to the
Early Detection of Chemical Toxicity*

September 2-6, 1974, Guildford, Surrey, England. Information: Dr. J. W. Bridges, Department of Biochemistry, University of Surrey, Guildford GU2 5XH, England.

American Chemical Society Meeting

September 8-13, 1974, Atlantic City, New Jersey. Information: Meetings Department, Amer-

ican Chemical Society, 1155 Sixteenth St., Washington, D.C. 20036.

*4th International Symposium on Medicinal
Chemistry*

September 9-13, 1974, Noordwijkerhout, The Netherlands. Information: Secretariat, 4th International Symposium on Medicinal Chemistry, c/o Merck Sharp & Dohme B.V., Professional and Government Liason, Waarderweg 39, P. O. Box 561, Haarlem, The Netherlands.

*2nd Congress, Hungarian Pharmacological
Society*

October 2-5, 1974, Budapest, Hungary. Specific areas include Recent Trends in the Development of Drug Metabolism. Information: Congress Secretariate, Hungarian Pharmacological Society, 1085 Budapest, Üllői út 26, Hungary.

*6th International Symposium on Clinical
Pharmacology*

October 3-6, 1974, Regensburg, Germany. Information: Dr. W. J. Russell Taylor, Clinical Pharmacology-Toxicology Center, Philadelphia General Hospital, Civic Center Blvd., Philadelphia, Pa. 19104.
