

The top ranking journal in the field...

Pharmacological

A Publication of the American Society for
Pharmacology and Experimental Therapeutics, Inc.

REVIEWS

Robert E. Stitzel, PhD, Editor
West Virginia University Medical Center

Pharmacological Reviews is a show-case for important review articles in your field, featuring more comprehensive papers on topics of high current interest.

The Journal continues to publish the important, longer papers of interest to pharmacologists, physiologists, toxicologists, and biological chemists. No library serving the pharmacologist should be without a subscription.

An important resource for everyone
involved in research on the
metabolism of drugs and chemicals

DRUG METABOLISM AND DISPOSITION

The Biological Fate of Chemicals

Editor: Raymond F. Novak, Ph.D., Wayne State University, Detroit, Michigan

DRUG METABOLISM AND DISPOSITION publishes experimental results from *in vitro* and *in vivo* systems that bring readers significant and original information on the metabolism and disposition of endogenous and exogenous compounds, including the metabolism of therapeutic agents and environmental chemicals. The journal also invites timely reviews, short communications and letters to the Editor. All submissions are refereed to ensure a high standard of publication. The areas covered are:

- metabolism, metabolite identification and mechanisms of metabolite formation
- expression of drug metabolizing enzymes
- regulation of drug metabolizing enzyme gene expression
- toxicological consequences of xenobiotic metabolism
- pharmacokinetics
- pharmacodynamics

This journal should be a standard reference in all pharmacology and toxicology departments. It is also a valuable resource for all medicinal chemists involved in drug design and all biochemists with interest in drug metabolism, expression or drug metabolizing enzymes and regulation of drug metabolizing enzyme gene expression. *Monthly*
