

CORRECTION TO “MINIREVIEW: REGULATION OF CYTOCHROME P450 BY INFLAMMATORY MEDIATORS: WHY AND HOW?”

In the above article [Morgan ET (2001) *Drug Metab Dispos* 29:207–212], on Fig. 2, vasoconstriction should have been vasodilation. The author regrets any confusion or inconvenience caused by this error.

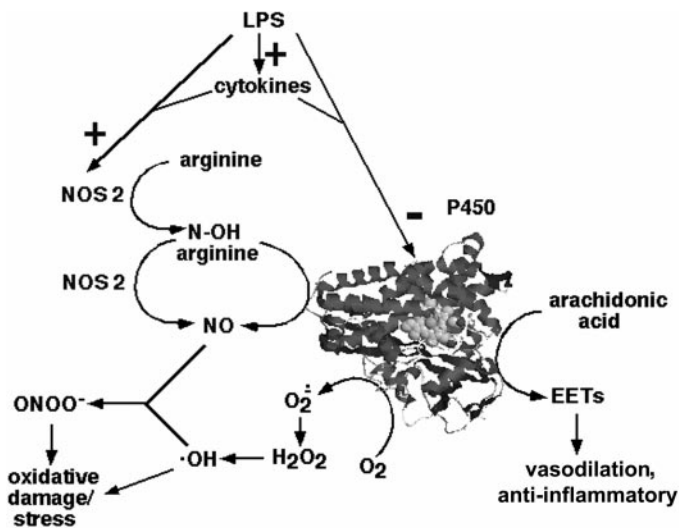

FIG. 2. Putative functions of P450 enzymes during cellular responses to inflammation.
