Why Publish with ASPET?

Because ASPET gives you these advantages:

♦ Low Page Charges — $35/page for ASPET members, $70/page for nonmembers (publishing one paper can save the $125 membership dues)

♦ Low Color Fees — $200/color figure for ASPET members, $400/color figure for nonmembers

♦ Online Manuscript Submission — submit your manuscript 24/7 — whenever it suits your schedule; online peer review reduces review times; track the progress of your manuscript through the review process

♦ Publish Online Ahead of Print — manuscripts are published online shortly after acceptance — at least two months prior to print publication

♦ Wide Dissemination — accepted manuscripts are freely accessible immediately; fully formatted articles are freely accessible 12 months after publication; low-cost pay-per-view option for nonsubscribers; abstracts and tables of contents always freely accessible
