BOARD OF PUBLICATIONS TRUSTEES
Brian M. Cox, Chair, P. Jeffrey Conn, Ross Feldman, Lorraine J. Gudas, Eric F. Johnson, John S. Lazo, Edward T. Morgan, Richard R. Neubig, Rick G. Schnellmann, Darryle D. Schoeppe, and Mary Vore

ASPET EXECUTIVE OFFICER: Christine K. Carrico
Journals Director: Richard Dodenhoff
Managing Editor: Jill Filler
Senior Editorial Coordinator: Rhonda Frankenfield

Journal and ASPET Office: 9650 Rockville Pike, Bethesda, MD 20814-3995; telephone: 301-634-7060; fax: 301-634-7061; email: info@aspet.org; web site: www.aspet.org.
Correspondence regarding editorial matters should be addressed to Dr. Eric F. Johnson, Editor, Drug Metabolism and Disposition, at the above address.

Official version: The online version of Drug Metabolism and Disposition contains all of the information and material contained in the print version plus additional material that may not appear in print such as videos and large data sets. The online version may be more current than the print version. Where noted, the online version has been corrected in departure from the print version. The online version of Drug Metabolism and Disposition officially published by the American Society for Pharmacology and Experimental Therapeutics is the definitive version and, to the extent any difference exists, will prevail over the print version.

Instructions to Authors: See http://dmd.aspetjournals.org for the Instructions to Authors and the ASPET Authorship Responsibility, Financial Disclosure, and Copyright Transfer form.

Change of address: ASPET must be notified 60 days in advance. Journals undeliverable because of incorrect address will be destroyed. Duplicate copies may be obtained, if available, from ASPET at the single copy price. Send address changes to the ASPET office.

Issue Replacement Policy: Domestic Subscribers—Claims for nondelivery of issues must be made within three (3) months of issue mail date. Foreign Subscribers—Claims for nondelivery of issues must be made within six (6) months of issue mail date. Missing Issues (domestic and foreign)—ASPET will not honor refunds or replace-ment requests made outside of the claim time period. Up to two (2) issues will be replaced free of charge per subscription year. Reprints of individual articles are available from the authors and from Infotrieve at www.infotrieve.com; otherwise call 800-422-4633, fax 310-208-5971, or email orders@infotrieve.com. Please send as much citation information as possible such as journal title, volume issue, page number, year, authors, article title, etc.

Reprints in large quantities for commercial or academic use may be purchased from the publisher. For information and prices, call 301-634-7063.

Copyright Information: Drug Metabolism and Disposition is copyrighted by The American Society for Pharmacology and Experimental Therapeutics. Photocopying of articles beyond that permitted by Sections 107 and 108 of the U.S. Copyright Law is allowed, provided that the $20.00-per-copy fee is paid through the Copyright Clearance Center, 222 Rosewood Drive, Danvers, MA 01923. Classroom photocopying is permitted at no fee, provided that students are not charged more than the cost of duplication. This consent does not extend to other kinds of copying. Reproduction of any portion of an article for subsequent republication requires permission of ASPET. Write to the ASPET office at the above address. Requests should include a statement of intended use as well as explicit specifications of the materials to be reproduced.

Disclaimer: The statements and opinions contained in the articles of Drug Metabolism and Disposition are solely those of the individual authors and contributors and not of The American Society for Pharmacology and Experimental Therapeutics. The appearance of advertisements in the journal is not a warranty, endorsement, or approval of the products of safety. The American Society for Pharmacology and Experimental Therapeutics disclaims responsibility for any injury to persons or property resulting from any ideas or products referred to in the articles or advertisement.
Improving research protections means improving research quality.

Demonstrate your organization’s commitment to human research protections through accreditation.

AAHRPP accreditation…

- improves your human research protection program
- assists your organization in achieving regulatory compliance
- helps your organization compete for sponsored research
- “raises the bar” in overall research quality
- builds and enhances public trust
