Authors and the ASPET Authorship Responsibility, Financial Disclosure, and
Instructions to Authors:

will prevail over the print version.

Therapeutics is the definitive version and, to the extent any difference exists,
published by the American Society for Pharmacology and Experimental
version. The online version of

contains all of the information and material contained in the print version plus
additional material that may not appear in print such as videos and large data
sets. The online version may be more current than the print version. Where
noted, the online version has been corrected in departure from the print
version. The online version of Drug Metabolism and Disposition officially
published by the American Society for Pharmacology and Experimental
Therapeutics is the definitive version and, to the extent any difference exists,
will prevail over the print version.

Instructions to Authors: See dmd.aspetjournals.org for the Instructions to
Authors and the ASPET Authorship Responsibility, Financial Disclosure, and
Copyright Transfer form.

Permissions:
Requests should include a statement of intended use as well as explicit
specifications of the materials to be reproduced.

Disclaimer: The statements and opinions contained in the articles of
Drug Metabolism and Disposition are solely those of the individual authors and
contributors and not of the American Society for Pharmacology and Experimen-
tal Therapeutics. The appearance of advertisements in the journal is not
sponsored by the American Society for Pharmacology and Experimental
Therapeutics. The American Society for Pharmacology and Experimental
Therapeutics disclaims responsibility for any injury to persons or property resulting from
any ideas or products referred to in any article or advertisement.
