

# Correction to: "Hepatic Uptake of Atorvastatin: Influence of Variability in Transporter Expression on Uptake Clearance and Drug-Drug Interactions"

In the above article [Vildhede A, Karlgren M, Svedberg EK, Wisniewski JR, Lai Y, Norén A, and Artursson P (2014) *Drug Metab Dispos* **42**:1210–1218], Figure 2D was incorrectly published as a copy of figure 2C and did not show the correct NTCP protein expression values. In the corrected version, shown above, the abundance levels of NTCP are shown correctly.
