

DRUG METABOLISM *AND* DISPOSITION

**A Publication of the
American Society for Pharmacology
and Experimental Therapeutics**

Edited for the Society by James R. Halpert

Why Publish with ASPET?

Because ASPET gives you these advantages:

- ◆ **Low Page Charges** — \$35/page for ASPET members, \$70/page for nonmembers (publishing one paper can save the \$125 membership dues)
- ◆ **Low Color Fees** — \$200/color figure for ASPET members, \$400/color figure for nonmembers
- ◆ **Online Manuscript Submission** — submit your manuscript 24/7 — whenever it suits your schedule; online peer review reduces review times; track the progress of your manuscript through the review process
- ◆ **Publish Online Ahead of Print** — manuscripts are published online shortly after acceptance — at least two months prior to print publication
- ◆ **Wide Dissemination** — full-text articles are freely accessible online 12 months after publication; low-cost pay-per-view option for nonsubscribers; abstracts and tables of contents always freely accessible

The Journal of
PHARMACOLOGY
and Experimental Therapeutics

**MOLECULAR
PHARMACOLOGY**

ASPET Journals — Widely Read, Highly Respected

In Vitro Technologies *Contract Research Services: Real-World Expertise*

When you need a study completed, you need it conducted by experts. But what does expertise really mean? Find out at In Vitro Technologies, where the expertise of our study directors and business development team can be leveraged to your advantage.

- ◆ You formulate the study strategy and design with Ph.D.-level scientists – from our study directors to the entire sales team
- ◆ Our experts have real-world experience in addition to their lab knowledge – they stay abreast of the latest scientific innovations
- ◆ Our contract team would bring varied expertise to bear on your study – including *in vitro* ADME-Tox models and bioanalytical testing
- ◆ Our Technology Development group can develop completely customized assays for your study
- ◆ Dedicated Quality Assurance auditors ensure regulatory compliance
- ◆ In Vitro Technologies has provided *in vitro* contract research services for over 15 years
