

Correction to: “Imperatorin Is a Mechanism-Based Inactivator of CYP2B6”

In the above article [Zheng L, Cao J, Lu D, Ji L, Peng Y, and Zheng J (2015) *Drug Metab Dispos* **43**:82–88] the correct value of k_{inact} is 0.18 min^{-1} (0.079×2.3), not 0.079 min^{-1} , after conversion from \log_{10} to the natural logarithm of the data.

The Full Text article is corrected with the issue of this erratum.
