

## Correction to: “Activity Suppression Behavior Phenotype in SULT4A1 Frameshift Mutant Zebrafish”

In Figure 6 of the above article [F. Crittenden, H.R. Thomas, J.M. Parant, and C.N. Falan (2015) *Drug Metab Dispos* 43: 1037–1044], the x-axis in each of the three panels is incorrectly labeled as “minutes”. The correct label for the x-axis in each of the three panels is “seconds”. A corrected Figure 6 is provided below.
