

Correction to: “Using the BacMam Baculovirus System to Study Expression and Function of Recombinant Efflux Drug Transporters in Polarized Epithelial Cell Monolayers”

In the above article [Fung KL, Kapoor H, Pixley JN, Talbert DJ, Kwit ADT, Ambudkar, SV, and Gottesman MM (2016) *Drug Metab Dispos* **44**:180–188], a copyediting error resulted in Figures 1, 2, and 3 being incorrectly cited as supplemental data figures in four instances. There are no supplemental data figures for this paper.

The text citations to the figures have been corrected.

The compositor apologizes for these errors and any inconvenience they caused.
