

Correction to “Prediction of Drug-Drug Interactions Arising from CYP3A induction Using a Physiologically Based Dynamic Model”

In the above article [Almond LM, Mukadam S, Gardner I, Okialda K, Wong S, Hatley O, Tay S, Rowland-Yeo K, Jamei M, Rostami-Hodjegan A, and Kenny JR (2016) *Drug Metab Dispos* **44**:821–832], the unit of measure at the top of the sixth and seventh columns in Table 3 was incorrectly provided as ng/L.h.

The correct unit of measurement in Table 3 is ng/mL.h.

The HTML and PDF versions of the article have been corrected.

The author apologizes for this error and any inconvenience it may have caused.
