

## Correction to “Interaction of 2,4-Diaminopyrimidine Containing Drugs Including Fedratinib and Trimethoprim with Thiamine Transporters”

In the above article [Giacomini MM, Hao J, Liang X, Chandrasekhar J, Twelves J, Whitney JA, Lepist E-I, and Ray AS (2017) *Drug Metab Dispos* **45**:76-85; DOI: <https://doi.org/10.1124/dmd.116.073338>], the chemical structure for Tofacitinib in Figure 1 was previously incorrect. The correct chemical structure is included below.

The HTML and PDF versions of the article have been corrected.
