

Correction to “Maternal-Fetal Disposition and Metabolism of Retrorsine in Pregnant Rats”

In the above article [Li X, Yang X, Xiang E, Luo J, Qiu S, Fang Y, Zhang L, Guo Y, Zheng J, and Wang H (2018) *Drug Metab Dispos* **46** (4) 422-428; <https://doi.org/10.1124/dmd.117.079186>], errors were made while uploading Figure 7. As a result, the gray density of CYP3A protein is inconsistent with western blotting. The corrected Figure 7 is displayed below.

This error does not change the scientific conclusions of the paper in any way.

The authors regret this error and apologize for any inconvenience this may have caused.
