

## Correction to “Single Nucleotide Polymorphisms (SNPs) Distant from Xenobiotic Response Elements Can Modulate Aryl Hydrocarbon Receptor Function: SNP-Dependent CYP1A1 Induction”

In the above article [Liu D, Qin S, Ray B, Kalari KR, Wang L, and Weinshilboum RM (2018) *Drug Metab and Dispos* **46** (9) 1372-1381; DOI: <https://doi.org/10.1124/dmd.118.082164>], the name of the third author, Balmiki Ray, was misspelled in the manuscript as Bamiki. The error was not caught by the authors at the proof stage. The HTML and PDF versions of the article now have been updated with the correct spelling of Balmiki Ray.

The authors regret this error and apologize for any inconvenience this may have caused.
