

Correction to “Quantitative Proteomics of Clinically Relevant Drug-Metabolizing Enzymes and Drug Transporters and Their Intercorrelations in the Human Small Intestine”

In the above article [Couto N, Al-Majdoub ZM, Gibson S, Davies PJ, Achour B, Harwood MD, Carlson G, Barber J, Rostami-Hodjegan A, and Warhurst G (2020) *Drug Metab Dispos* **48(4)**:245–254; DOI: <https://doi.org/10.1124/dmd.119.089656>], funding information that was included in the acknowledgments section of the manuscript should have been put in a footnote at the beginning of the article:

This work was supported by the Innovative Medicines Initiative Joint Undertaking (<http://www.imi.europa.eu>) [Grant Agreement 115369], resources from which are composed of financial contributions from the European Union’s Seventh Framework Programme [FP7/2007-2013] and The European Federation of Pharmaceutical Industries and Associations companies’ in-kind contribution. An award from the Royal Commission for the Exhibition of 1851 to the University of Manchester based on MDH successfully completing an Industrial Fellowship grant in 2015 facilitated the initial aspects of this work.

The HTML and PDF versions of the article have been corrected.
